Villa Pushpapuri

Boasting absolute beachfront location, villa Pushpapuri is situated near the traditional village of Ketewel, Sanur. Just 45 minutes drive from Bali's international airport, 30 minutes from the cultural town of Ubud, and only 30-45 minutes from the restaurants, shops and nightlife of Kuta and Seminyak. Villa Pushpapuri offers an authentic Balinese experience.

This four bedroom villa is situated in a rural setting of terraced rice fields, papaya and banana groves. Villa Pushpapuri provides a spectacular outlook towards the beaches of Keramas, the islands of Nusa Penida and Nusa Lembongan, and the grandeur of the sacred Mt. Agung.

The living and dining pavilion is made all the more spectacular as the ocean is visible through the glass walls that form three sides of the building. Featuring a marble floor and roof lined with rattan, the sliding glass doors can be opened to allow the sea breeze and rhythmic qualities of the waves to encompass the room. A small kitchen is located next to the dining area, and the villa also houses a fully equipped staff service area.

Whether dining inside or alfresco on the elevated terrace overlooking the garden, pool and ocean, the villa features all the comforts of home in a relaxed and unique setting.

Special getaway
The whole family will enjoy this special get-away, most notably with the air-conditioned games room containing a pool table, dartboard, and a 40 inch LCD satellite television. Wi-Fi access is available throughout the property, and the 20-metre infinity-edge swimming pool is perfect for relaxation.

The two-storey master suite includes a master bedroom and en suite bathroom, as well as an upstairs study and DVD room equipped with a PlayStation. A stone terrace and timber deck showcase spectacular ocean views. The main guest bedroom is equipped with a king-size bed, air conditioning and an LCD satellite TV and DVD player. The last two guest rooms are ideal for children, one containing a queen size bed and the other furnished with twin beds.

The expansive gardens make Villa Pushpapuri the perfect setting for a wedding or a special event. The villa's friendly and professional staff include a chef trained in Asian and Western cuisine, personal butlers as well as housekeepers.

Quiet and safe, Villa Pushpapuri is perfect for any holiday or event. Close to villages that offer visitors markets, temple ceremonies and other Balinese traditions, Villa Pushpapuri offers a complete cultural experience in a relaxing and inviting location. ☺
