There is nothing quite like a private, spacious, beachfront villa. Especially so in Bali with its tropical climate, lush palm trees and terraced rice fields, rich cultural heritage and a fresh sea breeze to keep you cool all day. Villa Pushpapuri offers you a real holiday, superb tropical beachfront living and a place where you can escape to indulge in some well deserved seaside relaxation with all the decadent comforts and personalised services you would expect from a luxury villa. This absolute beachfront villa has an exclusive location on Pabean Beach in south-east Bali with views of the ocean and majestic Mount Agung, yet it's also within easy driving distance of Bali International Airport, Bali Safari Park and the shops, spas and restaurants in downtown Sanur.

Created as a haven for rest and relaxation, this well appointed stunning four-bedroom residence includes a typical Balinese indoor-outdoor living and dining design with all the modern conveniences you would expect of five-star luxury accommodation. The interiors of the living spaces are beautifully finished and furnished.

The living and dining pavilion has indoor dining for 8 and outdoor dining for 6. There are four individually themed bedrooms; the green room (master suite),

beige room, purple and orange rooms; an infinity-edge swimming pool overlooking the beach, a poolside balé, indoor and poolside bars, two kitchens, an indoor fitness centre and a home theatre. To look after your every need the villa has a warm, friendly and attentive team of staff who provide a 24-hour butler service to five-star standards.

Designed for privacy, the villa is suitable for small or large groups and families and is also a perfect venue for weddings.
